💼 PROFESSIONAL EXPERIENCE

09/2023 – 11/2023 New-Delhi, India	MoreSlides.com/MoreStudios.in 🔗 Full Stack Web Developer During my internship, I had the opportunity to showcase my skills in web development by building 5+ captivating front-end & back-end websites. These projects not only honed my coding abilities but also allowed me to delve into the intricacies of user interface and experience design. Additionally, I actively contributed to various design projects, including those related to presentations (PPT) and other visually engaging materials. This hands-on experience equipped me with a well-rounded skill set, combining technical proficiency with a keen eye for design aesthetics.
